

SAINT GERMAIN ON FREEDOM

IX

Freedom for Taiwan

Part 1

Breathes there a man or a woman with soul so dead who never to himself hath said, "This is my own, my native earth"? In my hand is Terra. To whom shall I give it? The Lord God has said, "Take dominion over the earth!" And yet mankind have forsaken the call of dominion, the call of freedom.

I come with a plea for freedom. I come with a plea for calls for freedom; and I look for patriots of light who have not been caught in the whirlpool of hatred, stagnation, fright, and compromise with the fallen ones.

America is as the innocent Little Red Riding Hood; and so America does not recognize the wolf who comes, the wolf who comes in disguise asking for more and more and more parcels of land, commodities, technology, food, science, money—whatever. So the wolves come; they come to the land of the Mother. And those fallen ones—those cowards, those compromisers who have taken the seat of authority, wresting that authority from the children of light—are content to parcel away this nation and pieces of earth, nation by nation, city by city, without any regard for souls, for freedom, for light.

I speak to the Keepers of the Flame. I come to you with a dire message. I come with an urgent message. I come to speak to you regarding the swallowing-up by the dragon of World Communism of souls of light on Terra in territories that ought to be protected by the United States of America. I send forth my call to those who love freedom! I send forth the call to the Four Beings of the Elements to rally the armed forces, the defense of this nation! I call to the Christ Selves of all mankind!

This is the hour and the century of the turning point for Terra, for her evolutions, and for opportunity. This very year in the elections in America, in world politics, there is the turning. And the light must be victorious! It must be victorious in hearts filled with fire, whose hearts then extend that fire across the face of Terra.

I call to the Four Beings of the Elements! I demand the release of energy from the sun of even pressure in the heart of the earth. I demand the light necessary to create the ring-pass-not around these United States, around this earth. For the interference of the fallen ones is systemwide, is penetrating at all levels of Mater; and the rallying to the cause of freedom must come.

We must have our focuses of light! We must have souls who will leave all and forsake the comforts and the pleasures of the flesh to defend freedom. We must have stalwart patriots—free of all perversions of the line of Aquarius, free of that witchcraft, that frustration, that anxiety, and above all, superstition.

Let the sons and daughters of Liberty arise this day! For I am calling you, and this is my message: The fulcrum of light on Terra for the reversing of the tide of the beast of the Orient is Taiwan. Fifteen million souls of light are keeping the flame of Kuan Yin on that island of light. That island of light is an ancient focus of freedom; and it must not be turned over to the Communists, to the Chinese, or to the Russians. It must not become that political football between East and West pacifying the Communists. It must not be used as a forcefield or as a focal point of evil on either side, but the people of Taiwan must be free to be independent and to be protected by the forces of freedom above and below.

The armies of light, who come from far-off systems of worlds this very morning to defend that island, come because of their ancient tie to the people of Chin, the people of the light, the people of Cyclopea and Jophiel, the people who carry the golden wisdom of the Buddha, of Confucius, of the

ages. They come to defend that island. They look only for your calls, hearts of light! For that is the focal point whereby the hosts of light will turn the tide of World Communism.

From Taiwan they will back up the Communist forces across China, across the mainland, across Russia. And the rescue of Terra will not be from Europe, but it will be from that focal point of light. And thus the extension of the light of the Mother from that focus in Santa Barbara and all focuses on the West Coast must push on to the islands of Hawaii, to Japan, to Australia, to Indonesia, and to Taiwan.

And I am calling to the children of light who have embodied in this organization, who are yet in their mothers' arms. I am calling to these souls who have reincarnated from this mighty people to arise now and keep the flame and guard the flame. And I urge you who are parents to not neglect one day to bring these children into the decrees; for their heart chakra extends the light of the decrees into that land, into that island where there are souls and avatars and some of the greatest souls who have ever lived on Terra.

And they are waiting for freedom, waiting for the reinforcements; and they are stranded there between the jaws of the Illuminati on both sides of the sea. They are stranded there by opposition from every force of greed and every force of tyranny and the dragon's tail as it swings from the mainland. I tell you, the jealousy in the eyes of the overlords is that snakeskin green. It is a piercing energy that would tear from those people of China, the true patriots of light, their very energy, their very wisdom; and it would suppress them and drive that energy down into ignorance and sensuality.

People of America, people of freedom, do you not understand what will take place on this very soil, in this very place, if the hordes of the fallen ones are allowed to override the forcefields of light throughout the world? I say you must not rest day or night! You must not lay your body, no matter how weary, to rest at night without breathing your prayers to me and to Kuan Yin for the rescue of that island.

We are not content to rescue souls! We are not content to have them taken out by air! We are not content unless we have the land. For the land is the Mother's, the land is the focus, the land is the retreat of the Mother of China. And it must not be given over to any force whatsoever! It must be maintained free. It must be defended by the forces of light and the hosts of light in every freedom-loving nation of the world.

I am releasing the energy this day to shake America and to shake the world and to stop this compromise and to stop this feeding of the wolf! For I tell you the wolf will not be content until the wolf has eaten Little Red Riding Hood. The wolf is not content with the apples. The wolf is not content with any type of appeasement. It is oncoming. It is the carnal mind and the beast that rises up out of the bottomless pit of that carnal desire.

It is a world cancer—this World Communism—and I tell you, it will eat the very body of your own consciousness! It will eat the very soil beneath your feet if you do not rise up and realize that no matter what you gain in America as focuses of light, as teaching centers, if the entire earth around you is eaten up by these fallen ones, there will not be anything left! And then the focuses of light will be vulnerable, and then the attack will come.

America, you cannot stand in second position! Your funds must be going into the defense of this nation! Whatever it takes materially to defend America, it must be defended.

And this serpent, representing the kundalini of the Divine Mother—this divine energy which must rise in her people to liberate the souls, this energy of Kali—must hiss at the fallen ones, must drive them back by that energy and by that sword! And let none dare, let none dare not to take up that sword! Let none be cowards.

Precious hearts of light, you cannot close your eyes and go into your sanctuaries and decree only for yourselves! For you are Terra! The Mother in you is Terra. You are the consciousness of earth. You are the consciousness of dominion. Your souls are inextricably tied to the souls of the people of

Taiwan. They are your brothers and your sisters on the path of light. They must be defended as your very flesh, as your very heart, as your very soul.

You cannot have lesser goals, lesser pleasures, lesser indulgences. You must forsake all to defend Terra; or I tell you, you will stand and watch, helpless, as many have done in the countries behind the iron curtain. I tell you, they have stood and watched their children, their wives, their sisters—they have watched them being torn limb from limb! They have watched them be raped and persecuted. They have watched their bodies maimed and cut apart as they screamed in anguish. This is the torture of the devils incarnate and these devils incarnate live today on Terra.

Do not be lulled to sleep by this détente in which the government of the United States is engaging! Those who have usurped this authority will pay. The question I ask you this day: Are you willing to pay this price? Are you willing to watch these little children, these avatars—are you willing to watch them be massacred before your very eyes? Well, wake up before it is too late! You cannot have selfish indulgences.

The Keepers of the Flame can invoke enough light in America to reverse the tide, but first of all you must *know* you can! You must not be defeated by world conditions. They have no power in the eye of the Mother; in her immaculate vision they are consumed. But the Mother's eye must be your own eye. Where else can it manifest but in you? The Mother must have many eyes to behold the immaculate concept and many hearts to send forth that fire that will defeat them on contact. [To be concluded in next week's *Pearl of Wisdom*.]

Freedom for Taiwan

Part 2

There is enough light in heaven, O people—there is enough light, enough hosts of light and armies and legions to defeat all of the laggard generations and all of the fallen ones of Terra and on every planet in this and every system of worlds! We have no dearth of reinforcements. We have no dearth of generals and leaders. We have no dearth of those in the Cosmic Secret Service who have the information necessary to expose the lie.

All that we require are hearts and voices uplifted, dedicated, willing to make the invocations, willing to give the last breath to those invocations. There is no other way except by decree and prayer that heaven can penetrate earth. Precious hearts, the religious people of the world have already given up! They have followed the lie of the fallen ones. They have accepted the brainwashing. They are convinced that there is nothing more to be done but to await deliverance. And I tell you, deliverance will not come unless it be invoked! God cannot act except through you.

I tell you, children of the light, if you lose Taiwan, you will lose the greatest concentration of lightbearers per square mile in any part of the earth. There is no greater concentration. They are there in the white fire core for the victory. And I tell you, the race of Chin will be lost if they are lost; for they must roll back the darkness of the mainland and free the people from these fallen ones. And how they dance and how they prance and how they impress those ignorant representatives who go there in the name of the people!

I tell you, you must decree for the ascended masters' God-appointed representative in the office of the president. I demand that you support the Christ-oriented candidate! I demand that you give those decrees! For, blessed ones, if America has another dark leader, where will she go?

The quarter of the century moves on. The year of the Holy Spirit moves on. The cycles move on. How much can the body of the Mother absorb of world evil before it spills over into the children and into the nations? I demand action and I give my warning. I demand decrees poured into Taiwan. I demand inserts on Taiwan in your decrees—in every decree that you give.

I am calling to the causal bodies and the Christ Selves of all who are on Terra who have dedicated their lives to this victory. This is the crucial hour! You must not be asleep! This is the call of the general: You must *run*—not walk, not saunter, but run into the field of battle. Run into that field and take up your swords! Run into your decree sessions and bring your swords, and give your decrees with a fervor! For this is your life, your very life! And I tell you, you will not retain it if you do not see the reality and the urgency of the hour.

This earth is hanging in the balance—the balance scales of Libra—in the destiny of America. The Mighty Blue Eagle from Sirius carries those balance scales in his beak, and they are balanced as long as lightbearers are sufficient to offset the darkness. But when the darkness becomes greater than the light invoked, then the balance scales are tipped; and then America can no longer hold the balance of power of world freedom on earth.

It is only the lightbearers and the decreers who have kept that scale balanced. I warn you that every discord, every irritation, every mood energy of entities, every manipulation that you allow to pass through you to cause a stone of stumbling in another's pathway, can very well tip that balance. You dare not trifle with inharmony.

I ask you to study those *Pearls of Wisdom* of Maitreya.¹ Make your prayers at night. Come to the Royal Teton. Be initiated by Maitreya and receive an audience with Confucius. For Confucius will anchor within your heart that same momentum for the light of victory which is given to all lightbearers and to the Mother of the Flame who are willing to stand with the hosts of light.

I call to the people of Afra! I call to our centers and groups throughout the world. I am calling this day and I am asking that you give invocations through this period of the Christ Mass for the liberation of the planet from the fallen ones. For this is the annual period of the saber rattling of the fallen ones, and they come to steal the light of winter solstice. And they will store it in those forcefields and grids of darkness to use in that moment when they are plotting their coup to steal Taiwan by consent from this government and this people before your very eyes.

Unless you reverse the tide, they will steal that island and fifteen million souls will march to the massacre. And who will pay the price? Who will pay the price? Who will stand and watch the oncoming night?

It were better for you that you had never been born than to see the holocaust and the fall of Terra through these Luciferians who are even now pressing their fingers in their palms, rolling their fingers, waiting for the moment when they can press the trigger to release that nuclear holocaust which they have plotted and planned for so long.

Do you dare trust that energy in the hands of the Luciferians, of the mad scientists who put down Atlantis and Mu? Do you dare leave that energy uncontrolled? Only the ascended masters have the right to contain that energy and that power; for human beings cannot be trusted, given the hordes of darkness who will play upon them, who will give them that itchy feeling, that trigger-happy feeling that they will set off that holocaust even without the word of their overlords.

Precious ones, this earth is a powder keg. But I tell you that even those bombs and even those missiles and even that infiltration can be nullified. It can be nullified by your decrees if you but have the vision, if you but have the determination that the light which you invoke can nullify that energy, can render it powerless. It can be done, but it must be done by concerted action and by specific calls.

Therefore, let it be heard and let it be known in the focuses this day; and let this dictation be given in that day of a Vigil of Mercy to the Keepers of the Flame at the class in Anaheim.² Let it be played and let that day be a dedication for the freedom of Taiwan and the freedom of that race of the wisdom people.

Children of the sun, I have made my appeal. Legions of light stand with me, and I tell you they are in tears this day! Yes, the legions of light. They have the compassion that wells up within them, and they see the plight of mankind and they see the threats to the children of the light. This is not

emotionalism; this is the flow of the compassion of the Divine Mother. They see the past, the present, and the future.

I say, be not blinded, but read the future in the past. Read clearly the warning of current history. What has happened can happen again, and all that stands between you and this holocaust is the invocation of light. Therefore, dedicate your life to Kuan Yin, to mercy, and to her service, and continue as you have begun, with a strong arm of light and freedom and invocations.

And this is my message to the seventh class at Summit University. I charge you by all that is holy, by all that you have received at the feet of the Mother. I charge your mandala of the seventy and plus. I charge your mandala with the guarding of Taiwan and the guarding of the light of the Mother through Kuan Yin in Taiwan and with the Goddess of Light, the Queen of Light and the Goddess of Purity, and all of the lady masters of heaven.

I say to you, this is your mantle of responsibility as you go forth to do the work of Saint Germain in this age. I give you this responsibility. You will not fail me; I will not fail you. I will be with you. And when my angels come in the early hours of the morning and tap you on the shoulder and you open your eyes, I say, *Wake up! Get out of bed and give your decrees for Taiwan!* I AM Saint Germain! I have seen the danger; I have sounded the warning.

Let your souls not come before the Lords of Karma for any dispensations or at any hour in this life or after this life without the good report that you have stood fast for Taiwan and for the people of light. For there will be no further dispensations for those who call and write petitions if they will not stand for the light where that light is required.

Therefore, children of the One, hear my call! Respond to Godfre, your general in the field, and remember how this land was won against all the monied interests and the bankers and the Illuminati and the greed and all of the conniving in Congress. And the general alone stood in the field, and some deserted and some stayed; and the handful who stayed won a land for the Mother. Therefore, let this handful stand and stay for Taiwan. [audience rises.]

For the victory, I AM Saint Germain.

We demand the removing of the cause and core. We demand the binding of the seeds of Lucifer and the fallen ones. We demand the binding of the seed and the egg of the dragon and the serpent and the beast. And we demand the binding of the false prophet, the great whore, and the Antichrist in the four quadrants of Mater.

We demand that light go forth from our I AM Presence and causal bodies this day! We demand that that light be met and multiplied by the action of the Cosmic Christ and the great incoming avatars. We demand the halting of abortion and the abortion of the avatars. We demand the exposure and the binding of all Communists, Illuminati members, World Bankers, and those who have misused the light of the individual in capitalism and Communism. We demand the cleaning-up of this government of the United States and the cleaning-up of all governments of the world.

We demand El Morya come forth—and the legions of Mercury and the mighty blue eagle from Sirius! We demand that you descend this day! We will no longer tolerate this encroachment upon our light, our freedom, our love, and our liberty on Terra. We demand intercession by the authority of Almighty God.

We turn over to God our free will and our freedom and our authority to take dominion! And we call to God and the hosts of light to take dominion as we have been called to take dominion. So we surrender our authority to take dominion into the hands of the hosts of light. Come forth, hosts of light, and take dominion through us and in us; and use us—heart, head, and hand—for the victory on Terra.

We demand the reversing of the tide of all Communist forces and spy activities in America, all infiltration and germ warfare, and the release of viruses upon the American people. We demand the reversing of that hatred, that darkness, that infamy. We call to the hosts of light! We call to Mother Mary! We demand action this day! We expect action this day! We demand it! We expect it! We determine it! We invoke it! We call it forth!

And by the authority of Almighty God, it shall come forth! And the end of Word Communism shall be this day. From the core in the etheric plane to the mental, the emotional, and the physical quadrants, we demand spirals of light to turn the tide of this darkness. We demand it! We call it forth!

Beloved Lanello, we call forth your legions of light. We call to all the hosts of heaven; we ask you to come to the aid of Terra. And to Saint Germain, we ask you to come this day. We implore you and we give our energies—heart, head, and hand—in the name of the Father and of the Mother, of the Son and of the Holy Spirit.

The End of World Communism

Beloved mighty victorious Presence of God, I AM in me, beloved Saint Germain, the Great Divine Director, the seven mighty Elohim, the seven beloved archangels, the seven beloved chohans of the rays, beloved mighty Astrea, beloved Archangel Michael, legions of white fire and blue lightning from the heart of the Great Central Sun, mighty Surya and Cuzco, beloved Alpha and Omega, Helios and Vesta, the Great Central Sun magnet, beloved Maximus, beloved Sanat Kumara and the Seven Holy Kumaras, Lady Master Venus, Gautama Buddha, Lord Maitreya, beloved Jesus the Christ and your twelve legions of angels from the heart of the Father-Mother God, all the hosts of heaven, beloved Lanello and K-17, legions of the Cosmic Secret Service, the entire Spirit of the Great White Brotherhood and the World Mother:

Lock your cosmic circles and swords of blue flame, of thousands of suns from the Great Central Sun, and blaze megatons of cosmic light, blue-lightning rays, and violet fire in, through, and around:

The cause and core of the lie of World Communism, all centers of World Communism and their luciferian and laggard backing, the international capitalist/communist conspiracy; all Communist control, infiltration, and spy activities in the United Nations and in every nation upon earth; all Communist and Marxist doctrine for world takeover; plots, plans, preparations, and current activities to occupy or destroy the United States of America, the Panama Canal Zone, or the nations of the free world or in any way—subtle or overt, known or unknown, direct or indirect—to take over the free world through nuclear attack, psychopolitics, brainwashing, tortures, lobotomies, and executions of political prisoners, psychic rays, political blackmail, economic sabotage, germ warfare, revolution, evolution, or otherwise; all persons, plots, conspiracies, and activities that interfere with the Constitution of the United States of America, administrative, legislative, and judicial processes in federal, state, and local governments, the free enterprise system, the Christ-education of the youth of the world, and the flow of freedom, of cosmic abundance, and of the cosmic honor flame through the governments, economies, and military establishments of the free world;

The governments of the USSR, the People's Republic of China, all Communist and socialist political parties, cells, members, and espionage activities in every nation upon earth; all Illuminati support and backing of the World Communist movement and other Communist states; the selling of industrial, military, and nuclear material to the Soviet Union and all Communist countries; all Communist, revolutionary, and guerrilla training camps and centers; Fidel Castro et al., and the Cuban Communist machine; Portugal, Italy, Turkey, the Philippines, Spain, Angola [Lebanon, Puerto Rico, and all countries besieged by the dragon of World Communism] (*Here you may name other trouble spots.*) and the entire planetary body.

All Communist leaders, revolutionaries, agitators, anarchists, assassins, Communist military personnel, the KGB, secret police, spies, strategists, politicians, policymakers, and members of the politburo, malcontents, malevolence, perverts, psychics, insane and confused people; Communist military establishments, the Russian and Chinese armed forces, all personnel connected with the Communist war machine; and especially all Luciferians, Satanists, fallen ones, the godless creation, and the laggard generation using World Communism in any of its modes, disguises, or subterfuges as a means to conquer the sons and daughters of God and the children of the light throughout the planetary body.

Close in upon it all and transmute, transmute, transmute it all—cause, effect, record, and memory—before it can act, approach, or encroach upon life any longer. Replace it all right now by the cosmic threefold flame in the full power of the three-times-three and in the full power of the ten thousand-times-ten thousand and the full power of the thousandfold flame of the sacred love of the sacred fire in overcoming cosmic power, tripled each instant of each hour, until all are wholly ascended in the light and free. Beloved I AM, beloved I AM, beloved I AM! (3x)

And in full faith I consciously accept this manifest, manifest, manifest (3x) right here and now with full power, eternally sustained, all-powerfully active, ever expanding, and world enfolding until all are wholly ascended in the light and free! Beloved I AM, beloved I AM, beloved I AM!

In the name of Jesus the Christ, in the name of the Holy Spirit, we reclaim Terra for freedom, for the light, for Saint Germain, the hierarch of the Aquarian age. We demand it be wrested from the hands of the Luciferians, the fallen ones, the Satanists, the laggard generation, and all those who have misused capitalism, Communism; all those who are part of the dragon of World Communism and the taking from the children of the light of the abundance of the Divine Mother; all those who stand between the Divine Mother and her children.

We demand the binding of the fallen ones. We demand the return of the supply of the children of the light to them this day. We call to the hosts of light! We call to the defenders of freedom! We call for the defense of light and liberty and the freedom to be, on Terra. We demand cosmic justice and cosmic judgment this day.

We call in the name of the Father and of the Mother, of the Son and of the Holy Spirit, for the cosmic cross of white fire to be placed over every heart of the people of light on Terra. We call for freedom and the penetration of the all-seeing eye of God and the wisdom to see the right, to choose the right, to know and to be the right. We call for Victory! We call for intercession.

We call directly to the heart of Omega! We ask you and all your representatives to send forth the light of the diamond of the Divine Mother, to send forth that light, to rescue Terra this day. And we demand that that core, that nucleus of darkness, be consumed, be encircled by Astrea, be seized by the Great Central Sun magnet, be seized by Alpha and Omega. We demand that you go to the cause and core of evil this day, that the astral, mental, etheric, and physical bodies of mankind and of Terra be cleaned up to clear the way for the coming of the Christed ones, clear the way for the coming of the teachings of the ascended masters.

I stand on Terra this day; and I refuse to be intimidated by the fallen ones, their witchcraft and their black magic! I demand that they be exposed and bound. I demand that they be dealt with this day. I refuse to be separated from the children of light. I demand the hosts of light come down to earth this day and clear that path through the astral, mental, etheric, and physical planes to the lightbearers. I demand they be put in contact with me this day and with the teachings of the ascended masters. I demand that all that stands between them and their God, their I AM Presence, be cleared by the hosts of light.

Beloved hosts of light, enter into the forcefield of Terra this day! And let the victory be unto the light through the children of light, through the sons and daughters of light. In the name of the Father and of the Mother, of the Son and of the Holy Spirit, we decree.

Encircle the Cause and Core of World Communism

In the name of the beloved mighty victorious Presence of God, I AM in me from the Great Central Sun, my own beloved Holy Christ Self, Holy Christ Selves of all mankind, beloved Great Divine Director, Lanella and K-17, the entire Spirit of the Great White Brotherhood and the World Mother, I decree:

Archangel Michael (3x) and all the beloved archangels, Ascended Master Jesus Christ (3x) and the seven mighty Elohim, beloved Lord Gautama and beloved Lord Maitreya, Ascended Masters Kuthumi, Djwal Kul, and beloved Kuan Yin, Goddess of Mercy:

In beloved Mother Mary's and Saint Germain's names and by their love, I invoke the golden healing oil of peace from the mighty Elohim of Peace poured out now over the whole earth and every lifestream in existence.

Saturate, saturate, saturate the earth with oceans and oceans of Cosmic Christ peace which can never be requalified by the human. Blaze the light of peace through, (3x) beloved I AM!

Mighty Portia, Goddess of Justice: Drive and blaze thy light of cosmic justice through all Communism, Communists, the Illuminati, the international capitalist/communist conspiracy and the godless creation, all luciferianism, luciferian agitators, fallen angels, laggards, and disturbed people. Set them free (3x) right now today from all that never should have been!

Great cosmic masters and cosmic beings of ascended-master light, Cosmic Christs, beloved mighty Astrea, and all who have to do with the release of the sacred fire:

Strike, strike, strike your mighty cosmic swords of blue flame and your cosmic circle and sword of blue flame in, through, and around the cause and core of the dragon of World Communism and the consciousness behind it! And lock your cosmic circle and sword of blue flame in, through, and around all Communists, Communists leaders, revolutionaries, infiltrators, agitators, anarchists, assassins, Communist military personnel, the KGB, secret police, spies, strategists and policymakers, and all malcontents, insane and confused people, and step them up by cosmic power until the action of their own electrons throws off all discord and disturbances acting in them.

Do it today, do it to stay, do it God's way, beloved I AM, beloved I AM, beloved I AM!

And in full faith I consciously accept this manifest, manifest, manifest (3x) right here and now with full power, eternally sustained, all-powerfully active, ever expanding, and world enfolding until all are wholly ascended in the light and free! Beloved I AM, beloved I AM, beloved I AM!

Invocation of the Mother of the Flame

In the name of Jesus the Christ, we call to the heart of the Father-Mother God to sustain the fire of fervor for freedom within our hearts this moment and every day of our lives, until we see the victory of the light manifest in every cell and atom of the four lower bodies of Terra and her evolutions. May we sustain this fervor; may it be the spark of fire that lights a world! May it be the torch of freedom that we pass from hand to hand.

In the name of the Divine Mother, let this fervor burn on! Let it burn on as a testimony, as a witness unto Saint Germain, that we are self-starters on Terra, that we are responsible sons and daughters of freedom, that we do not need to be babied and coddled and teased and talked to day by day in order to remember our high and holy calling to bear the light of victory to the four corners of the earth.

So, beloved Saint Germain, we ask you to light the fervor of freedom in hearts the world around. And we ask that our own mighty I AM Presence and causal body sustain that fire as a fountain of light into which you may dip, so that you can give that fire of freedom to humanity. So let us be that fountain of freedom ready for Saint Germain—not always calling, but giving that light of freedom unto our master. So let us be that witness that is the hope, the faith, and the charity of the entire Spirit of the Great White Brotherhood on Terra.

In the name of the Father and of the Mother, of the Son and of the Holy Spirit, it is finished, it is begun, and we will fulfill our fiery destiny!
